WE NEED YOUR HELP!

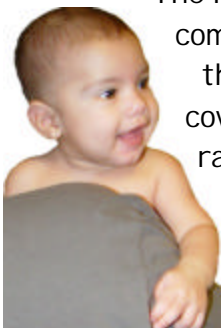

Dates of Drive: _____

Bring diapers to: _____

Our goal is: _____

Questions, call: _____

**THANKS for making a difference in the lives of
a family in crisis!**

The long-term mission of the Valley of the Sun Community Diaper Bank is a community where every vulnerable person has his or her basic needs met. In the short term, we accomplish this by providing diapers – a necessity not covered by the safety net programs. To work toward long-term change, we raise awareness of the issues facing vulnerable populations – our community's disabled, elderly and babies.
